

## Datasheet for ABIN2291436 **anti-IL-22 antibody (PE)**

[Go to Product page](#)

### Overview

|              |                                                     |
|--------------|-----------------------------------------------------|
| Quantity:    | 100 µL                                              |
| Target:      | IL-22 (IL22)                                        |
| Reactivity:  | Human                                               |
| Host:        | Rabbit                                              |
| Clonality:   | Polyclonal                                          |
| Conjugate:   | This IL-22 antibody is conjugated to PE             |
| Application: | Western Blotting (WB), ELISA, Neutralization (Neut) |

### Product Details

|                             |                                                                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | Highly purified human IL-22.                                                                                                                                     |
| Isotype:                    | IgG                                                                                                                                                              |
| Cross-Reactivity:           | Human                                                                                                                                                            |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                                                                  |
| Characteristics:            | IL22 (Interleukin-22, IL-22, Cytokine Zcyto18, IL-10-related T-cell-derived-inducible Factor, IL-TIF, ILTIF, ZCYTO18, UNQ3099/PRO10096, MGC79382, MGC79384) (PE) |
| Purification:               | Purified by immunoaffinity chromatography.                                                                                                                       |

### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | IL-22 (IL22)                           |
| Alternative Name: | IL22 ( <a href="#">IL22 Products</a> ) |

Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | 4 °C                                 |
| Storage Comment: | 4°C ,Do Not Freeze                   |
