## Overview

|                      |                                    |
|----------------------|------------------------------------|
| Quantity:            | 50 µg                              |
| Target:              | PBK                                |
| Binding Specificity: | AA 1-323                           |
| Reactivity:          | Human                              |
| Host:                | Mouse                              |
| Clonality:           | Polyclonal                         |
| Conjugate:           | This PBK antibody is un-conjugated |
| Application:         | Western Blotting (WB)              |

## Product Details

|                             |                                                                                                                                                                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | Full length human PBK, aa1-323 (NP_060962.2).                                                                                                                                                                                                                |
| Isotype:                    | IgG                                                                                                                                                                                                                                                          |
| Cross-Reactivity:           | Human                                                                                                                                                                                                                                                        |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                                                                                                                                                              |
| Characteristics:            | PBK (Lymphokine-activated Killer T-cell-originated Protein Kinase, Cancer/Testis Antigen 84, CT84, MAPKK-like Protein Kinase, Nori-3, PDZ-binding Kinase, Spermatogenesis-related Protein Kinase, SPK, T-LAK Cell-originated Protein Kinase, TOPK, FLJ14385) |
| Purification:               | Purified by Protein A affinity chromatography.                                                                                                                                                                                                               |

### Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | PBK                                                   |
| Alternative Name: | PBK (PBK Products)                                    |
| NCBI Accession:   | <a href="#">NM_018492</a> , <a href="#">NP_060962</a> |

### Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

### Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | -20 °C                               |
| Storage Comment: | -20°C                                |
