

Datasheet for ABIN2351328  
**anti-RHOBTB3 antibody (AA 1-100)**

[Go to Product page](#)

## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µg                                 |
| Target:              | RHOBTB3                                |
| Binding Specificity: | AA 1-100                               |
| Reactivity:          | Human                                  |
| Host:                | Mouse                                  |
| Clonality:           | Monoclonal                             |
| Conjugate:           | This RHOBTB3 antibody is un-conjugated |
| Application:         | ELISA                                  |

## Product Details

|                             |                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | Partial recombinant corresponding to aa1-100 from RHOBTB3 (NP_055714) with GST tag. MW of the GST tag alone is 26kD. |
| Clone:                      | 3A10                                                                                                                 |
| Isotype:                    | IgG1 kappa                                                                                                           |
| Cross-Reactivity:           | Human                                                                                                                |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                      |
| Characteristics:            | RHOBTB3 (Rho-related BTB Domain-containing Protein 3, KIAA0878)                                                      |
| Purification:               | Purified by Protein A affinity chromatography.                                                                       |

### Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | RHOBTB3                                               |
| Alternative Name: | RHOBTB3 ( <a href="#">RHOBTB3 Products</a> )          |
| NCBI Accession:   | <a href="#">NM_014899</a> , <a href="#">NP_055714</a> |

### Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

### Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | -20 °C                               |
| Storage Comment: | -20°C                                |
