## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | SLAP2 (SLA2)                         |
| Binding Specificity: | AA 1-261                             |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This SLAP2 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|                             |                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | Full length human SLA2, aa1-261 (NP_115590.1).                                                                                 |
| Isotype:                    | IgG                                                                                                                            |
| Cross-Reactivity:           | Human                                                                                                                          |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                                |
| Characteristics:            | SLA2 (Src-like-adaptor 2, Src-like Adapter Protein 2, SLAP-2, Modulator of Antigen Receptor Signaling, MARS, C20orf156, SLAP2) |
| Purification:               | Purified by Protein A affinity chromatography.                                                                                 |

## Target Details

|         |              |
|---------|--------------|
| Target: | SLAP2 (SLA2) |
|---------|--------------|

### Target Details

|                   |                      |
|-------------------|----------------------|
| Alternative Name: | SLA2 (SLA2 Products) |
| NCBI Accession:   | NM_032214, NP_115590 |

### Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

### Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | -20 °C                               |
| Storage Comment: | -20°C                                |
