## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 200 µL                              |
| Target:              | TOE1                                |
| Binding Specificity: | AA 89-117, N-Term                   |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This TOE1 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA        |

## Product Details

|                             |                                                                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | TOE1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 89-117 amino acids from the N-terminal region of human TOE1. |
| Isotype:                    | IgG                                                                                                                                                            |
| Cross-Reactivity:           | Human                                                                                                                                                          |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                                                                |
| Characteristics:            | TOE1, NT (TOE1, Target of EGR1 protein 1)                                                                                                                      |
| Purification:               | Purified by Protein A affinity chromatography.                                                                                                                 |

## Target Details

|         |      |
|---------|------|
| Target: | TOE1 |
|---------|------|

### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Alternative Name: | TOE1 ( <a href="#">TOE1 Products</a> ) |
| NCBI Accession:   | <a href="#">NP_079353</a>              |
| UniProt:          | <a href="#">Q96GM8</a>                 |

### Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | Supplied as a liquid in PBS, pH 7.2, 0.09 % sodium azide.                                                              |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | -20°C                                                                                                                  |
