## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | TWSG1                                |
| Binding Specificity: | AA 124-224                           |
| Reactivity:          | Human                                |
| Host:                | Mouse                                |
| Clonality:           | Monoclonal                           |
| Conjugate:           | This TWSG1 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA         |

## Product Details

|                             |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Immunogen:                  | Partial recombinant corresponding to aa124-224 from human TWSG1 (NP_065699) with GST tag. MW of the GST tag alone is 26kD. |
| Clone:                      | 6E6                                                                                                                        |
| Isotype:                    | IgG3 kappa                                                                                                                 |
| Cross-Reactivity:           | Human                                                                                                                      |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                                                            |
| Characteristics:            | TWSG1 (Twisted Gastrulation Protein Homolog 1, TSG, PSEC0250)                                                              |
| Purification:               | Purified by Protein A affinity chromatography.                                                                             |

Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | TWSG1                                                 |
| Alternative Name: | TWSG1 ( <a href="#">TWSG1 Products</a> )              |
| NCBI Accession:   | <a href="#">NM_020648</a> , <a href="#">NP_065699</a> |

Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | 4 °C                                 |
| Storage Comment: | 4°C ,Do Not Freeze                   |
