## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 50 µg                                    |
| Target:              | UHRF1BP1L                                |
| Binding Specificity: | AA 1-522                                 |
| Reactivity:          | Human                                    |
| Host:                | Mouse                                    |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This UHRF1BP1L antibody is un-conjugated |
| Application:         | Western Blotting (WB)                    |

## Product Details

|                             |                                                             |
|-----------------------------|-------------------------------------------------------------|
| Immunogen:                  | Full length human UHRF1BP1L, aa1-522 (AAH14891.1).          |
| Isotype:                    | IgG                                                         |
| Cross-Reactivity:           | Human                                                       |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                             |
| Characteristics:            | UHRF1BP1L (UHRF1-binding Protein 1-like, KIAA0701, SHIP164) |
| Purification:               | Purified by Protein A affinity chromatography.              |

## Target Details

|                   |                                                  |
|-------------------|--------------------------------------------------|
| Target:           | UHRF1BP1L                                        |
| Alternative Name: | UHRF1BP1L ( <a href="#">UHRF1BP1L Products</a> ) |

Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | -20 °C                               |
| Storage Comment: | -20°C                                |
