## Overview

|                      |                                                   |
|----------------------|---------------------------------------------------|
| Quantity:            | 50 µg                                             |
| Target:              | VPREB3                                            |
| Binding Specificity: | AA 1-123                                          |
| Reactivity:          | Human                                             |
| Host:                | Mouse                                             |
| Clonality:           | Polyclonal                                        |
| Conjugate:           | This VPREB3 antibody is un-conjugated             |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|                             |                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------|
| Immunogen:                  | Full length human VPREB3, aa1-123 (NP_037510.1).                                   |
| Isotype:                    | IgG                                                                                |
| Cross-Reactivity:           | Human                                                                              |
| Cross-Reactivity (Details): | Calculated cross reactivity: Hu                                                    |
| Characteristics:            | VPREB3 (Pre-B Lymphocyte Protein 3, Protein VPreB3, N27C7-2, UNQ355/PRO619, 8HS20) |
| Purification:               | Purified by Protein A affinity chromatography.                                     |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | VPREB3                                     |
| Alternative Name: | VPREB3 ( <a href="#">VPREB3 Products</a> ) |

Target Details

|                 |                                                     |
|-----------------|-----------------------------------------------------|
| NCBI Accession: | NM_013378, NP_037510                                |
| Pathways:       | Production of Molecular Mediator of Immune Response |

Application Details

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Notes: | Optimal working conditions should be determined by the investigator. |
| Restrictions:      | For Research Use only                                                |

Handling

|                  |                                      |
|------------------|--------------------------------------|
| Format:          | Liquid                               |
| Buffer:          | Supplied as a liquid in PBS, pH 7.2. |
| Storage:         | -20 °C                               |
| Storage Comment: | -20°C                                |
