## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 100 µL                              |
| Target:              | CCL4                                |
| Binding Specificity: | C-Term                              |
| Reactivity:          | Mouse                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This CCL4 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA        |

## Product Details

|               |                                 |
|---------------|---------------------------------|
| Immunogen:    | C-terminal region of mouse CCL4 |
| Purification: | Affinity purification           |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | CCL4                                   |
| Alternative Name: | CCL4 ( <a href="#">CCL4 Products</a> ) |
| Molecular Weight: | 10 kDa                                 |
| UniProt:          | <a href="#">P14097</a>                 |

## Application Details

---

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

---

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|         |                     |
|---------|---------------------|
| Buffer: | 0.01 % Sodium azide |
|---------|---------------------|

|               |              |
|---------------|--------------|
| Preservative: | Sodium azide |
|---------------|--------------|

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|------------------------------------------------------------------------------------------------------------------------|

|          |        |
|----------|--------|
| Storage: | -20 °C |
|----------|--------|
