## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µL                               |
| Target:              | KDM2B                                |
| Binding Specificity: | N-Term                               |
| Reactivity:          | Human, Mouse                         |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This KDM2B antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|               |                                  |
|---------------|----------------------------------|
| Immunogen:    | N-terminal region of human KDM2B |
| Purification: | Affinity purification            |

## Target Details

|                   |                                                                 |
|-------------------|-----------------------------------------------------------------|
| Target:           | KDM2B                                                           |
| Alternative Name: | KDM2B ( <a href="#">KDM2B Products</a> )                        |
| Molecular Weight: | 153 kDa                                                         |
| UniProt:          | <a href="#">Q8NHM5</a>                                          |
| Pathways:         | <a href="#">Tube Formation</a> , <a href="#">Warburg Effect</a> |

Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | 0.01 % Sodium azide                                                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
