## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 100 µL                              |
| Target:              | PAK6                                |
| Binding Specificity: | N-Term                              |
| Reactivity:          | Human, Mouse                        |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This PAK6 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

## Product Details

|               |                                 |
|---------------|---------------------------------|
| Immunogen:    | N-terminal region of human PAK6 |
| Purification: | Affinity purification           |

## Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | PAK6                                   |
| Alternative Name: | PAK6 ( <a href="#">PAK6 Products</a> ) |
| Molecular Weight: | 75 kDa                                 |
| UniProt:          | <a href="#">Q9NQU5</a>                 |

Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | 0.01 % Sodium azide                                                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
