

Datasheet for ABIN2443081  
**anti-RBP4 antibody (C-Term)**

[Go to Product page](#)

## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 100 µL                              |
| Target:              | RBP4                                |
| Binding Specificity: | C-Term                              |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This RBP4 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

## Product Details

|               |                                 |
|---------------|---------------------------------|
| Immunogen:    | C-terminal region of human RBP4 |
| Purification: | Affinity purification           |

## Target Details

|                   |                                                                                                                                                                                                                             |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | RBP4                                                                                                                                                                                                                        |
| Alternative Name: | RBP4 ( <a href="#">RBP4 Products</a> )                                                                                                                                                                                      |
| Molecular Weight: | 23 kDa                                                                                                                                                                                                                      |
| UniProt:          | <a href="#">P02753</a>                                                                                                                                                                                                      |
| Pathways:         | <a href="#">Regulatory RNA Pathways</a> , <a href="#">Positive Regulation of Peptide Hormone Secretion</a> , <a href="#">Carbohydrate Homeostasis</a> , <a href="#">Production of Molecular Mediator of Immune Response</a> |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Buffer:            | 0.01 % Sodium azide                                                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
