|        |       |          |      |        |       |

| Quantity:         | 100 μL  |
|-------------------|---|
| Target:           | Sialidase 4 (NEU4)  |
| Reactivity:       | Human, Mouse  |
| Host:             | Rabbit  |
| Clonality:        | Polyclonal  |
| Conjugate:        | This Sialidase 4 antibody is un-conjugated  |
| Application:      | ELISA, Western Blotting (WB)  |
| Product Details   |   |
| Immunogen:        | Antibody produced in rabbits immunized with a synthetic peptide corresponding a region of     |
|                   | human NEU4.   |
| Purification:     | Antibody is purified by peptide affinity chromatography method.                               |
| Target Details    |   |
| Target:           | Sialidase 4 (NEU4)  |
| Alternative Name: | NEU4 (NEU4 Products)  |
| Background:       | NEU4 belongs to a family of glycohydrolytic enzymes which remove sialic acid residues from    |
|                   | glycoproteins and glycolipids. This gene belongs to a family of glycohydrolytic enzymes which |
|                   | remove sialic acid residues from glycoproteins and glycolipids.                               |
| Molecular Weight: | 53 kDa  |
| Gene ID:          | 129807  |
|                   |   |

## **Target Details**

| NCBI Accession: | NP_542779 |
|-----------------|-----------|
| UniProt:        | Q3KR05    |

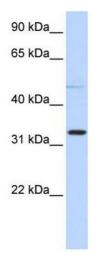

## **Application Details**

| Application Notes: | NEU4 antibody can be used for detection of NEU4 by ELISA at 1:312500. NEU4 antibody can be |
|--------------------|--|
|                    | used for detection of NEU4 by western blot at 1 $\mu g/mL$ , and HRP conjugated secondary  |
|                    | antibody should be diluted 1:50,000 - 100,000.   |
| Restrictions:      | For Research Use only  |

## Handling

| Format:          | Lyophilized  |
|------------------|--|
| Reconstitution:  | Add 50 ?L of distilled water. Final antibody concentration is 1 mg/mL.                       |
| Concentration:   | 1 mg/mL  |
| Buffer:          | Antibody is lyophilized in PBS buffer with 2 % sucrose.                                      |
| Handling Advice: | As with any antibody avoid repeat freeze-thaw cycles.  |
| Storage:         | 4 °C/-20 °C  |
| Storage Comment: | For short periods of storage (days) store at 4 °C. For longer periods of storage, store NEU4 |
|                  | antibody at -20 °C.  |
