## Overview

|                      |                                                                                           |
|----------------------|-------------------------------------------------------------------------------------------|
| Quantity:            | 0.1 mg                                                                                    |
| Target:              | Desmin (DES)                                                                              |
| Binding Specificity: | C-Term                                                                                    |
| Reactivity:          | Human, Mouse, Rat, Pig, Dog, Cow                                                          |
| Host:                | Goat                                                                                      |
| Clonality:           | Polyclonal                                                                                |
| Conjugate:           | This Desmin antibody is un-conjugated                                                     |
| Application:         | Western Blotting (WB), ELISA, Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|                   |                                                                         |
|-------------------|-------------------------------------------------------------------------|
| Isotype:          | IgG                                                                     |
| Cross-Reactivity: | Cow (Bovine), Dog (Canine), Mouse (Murine), Pig (Porcine), Rat (Rattus) |
| Characteristics:  | Purified IgG                                                            |
| Purification:     | Purified                                                                |

## Target Details

|                   |                                         |
|-------------------|-----------------------------------------|
| Target:           | Desmin (DES)                            |
| Alternative Name: | DESMIN ( <a href="#">DES Products</a> ) |
| Gene ID:          | 1674                                    |
| UniProt:          | <a href="#">P17661</a>                  |

Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                |           |
|----------------|-----------|
| Format:        | Liquid    |
| Concentration: | 0.5 mg/mL |
