| Human Ephrin A5 ELISA Kit is a sandwich ELISA kit for use with Serum, plasma, tissue<br>homogenates and other biological fluids. This assay has high sensitivity and excellent<br>specificity for detection of Ephrin A5 (EFNA5)<br>No significant cross-reactivity or interference between Ephrin A5 (EFNA5) and analogues was<br>observed.      |
| homogenates and other biological fluids. This assay has high sensitivity and excellent<br>specificity for detection of Ephrin A5 (EFNA5)<br>No significant cross-reactivity or interference between Ephrin A5 (EFNA5) and analogues was   |

| Target Details      |  |
|---------------------|--|
| Target:             | Ephrin A5 (EFNA5)  |
| Abstract:           | EFNA5 Products   |
| Pathways:           | RTK Signaling  |
| Application Details |  |
| Application Notes:  | <ul> <li>Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less</li> <li>than 5 % within the expiration date under appropriate storage conditions. To minimize</li> <li>performance fluctuations, operation procedures and lab conditions should be strictly controlled.</li> <li>It is also strongly suggested that the whole assay is performed by the same user throughout.</li> <li>Recommended dilutions: Optimal dilutions/concentrations should be determined by the end</li> <li>user.</li> <li>Standard Form: Lyophilized</li> </ul> |
| Comment:            | The stability of the kit is determined by the rate of activity loss. The loss rate is less than 5% within the expiration date under appropriate storage conditions minimize performance fluctuations, operation procedures and lab conditions should be strictly controlled. It is also strongly suggested that the whole assay is performed by the same user throughout.  |
| Plate:              | Pre-coated   |
| Restrictions:       | For Research Use only  |
| Handling            |  |
| Storage:            | 4 °C/-20 °C  |
| Storage Comment:    | Upon receipt, store the kit according to the storage instruction in the kit's manual.  |
| Expiry Date:        | 6 months   |
