Target Details

	Peroxiredoxin 4 (PRDX4)
Abstract:	PRDX4 Products
Application Details	
Application Notes:	Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less
	than 5 % within the expiration date under appropriate storage conditions. To minimize
	$performance\ fluctuations, operation\ procedures\ and\ lab\ conditions\ should\ be\ strictly\ controlled.$
	It is also strongly suggested that the whole assay is performed by the same user throughout.
	Recommended dilutions: Optimal dilutions/concentrations should be determined by the end
	user.
	Standard Form: Lyophilized
