

Datasheet for ABIN2542411 CA 19-5 ELISA Kit

Overview

000000	
Quantity:	96 tests
Target:	CA 19-5
Reactivity:	Human
Method Type:	Competition ELISA
Detection Range:	2.47 ng/mL - 200 ng/mL
Minimum Detection Limit:	2.47 ng/mL
Application:	ELISA
Product Details	
Purpose:	Human CA19-5 ELISA Kit is a competitive ELISA kit for use with Serum, plasma and other
	biological fluids. This assay has high sensitivity and excellent specificity for detection of
	Carbohydrate Antigen 19-5 (CA19-5)
	No significant cross-reactivity or interference between Carbohydrate Antigen 19-5 (CA19-5) and
	analogues was observed.
Sample Type:	Plasma, Serum
Analytical Method:	Quantitative
Detection Method:	Colorimetric
Specificity:	This assay has high sensitivity and excellent specificity for detection of Carbohydrate Antigen
	19-5 (CA19-5)
Sensitivity:	< 0.86 ng/mL

Target Details	
Target:	CA 19-5
Alternative Name:	Carbohydrate Antigen 19-5 (CA19-5) (CA 19-5 Products)
Application Details	
Application Notes:	Stability: The stability of the kit is determined by the rate of activity loss. The loss rate is less than 5 % within the expiration date under appropriate storage conditions. To minimize performance fluctuations, operation procedures and lab conditions should be strictly controlled. It is also strongly suggested that the whole assay is performed by the same user throughout. Recommended dilutions: Optimal dilutions/concentrations should be determined by the end user. Standard Form: Lyophilized
Comment:	The stability of the kit is determined by the rate of activity loss. The loss rate is less than 5% within the expiration date under appropriate storage conditions. To minimize performance fluctuations, operation procedures and lab conditions should be strictly controlled. It is also strongly suggested that the whole assay is performed by the same user throughout.
Plate:	Pre-coated
Restrictions:	For Research Use only
Handling	
Storage:	4 °C/-20 °C
Storage Comment:	Upon receipt, store the kit according to the storage instruction in the kit's manual.
Expiry Date:	6 months
