## Overview

|                      |                                       |
|----------------------|---------------------------------------|
| Quantity:            | 200 µL                                |
| Target:              | SWAP70                                |
| Binding Specificity: | AA 227-256                            |
| Reactivity:          | Human                                 |
| Host:                | Rabbit                                |
| Clonality:           | Polyclonal                            |
| Conjugate:           | This SWAP70 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA          |

## Product Details

|               |                                                                                                                                                                       |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                                   |
| Specificity:  | This SWAP70 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 227-256 amino acids from the Central region of human SWAP70. |
| Purification: | Affinity purified                                                                                                                                                     |

## Target Details

|                                                                            |                                            |
|----------------------------------------------------------------------------|--------------------------------------------|
| Target:                                                                    | SWAP70                                     |
| Alternative Name:                                                          | SWAP70 ( <a href="#">SWAP70 Products</a> ) |
| Background:                                                                | Name/Gene ID: SWAP70                       |
| Synonyms: SWAP70, KIAA0640, HSPC321, SWAP-70, Switch-associated protein 70 |                                            |

### Target Details

|           |                                                                     |
|-----------|---------------------------------------------------------------------|
| Gene ID:  | 23075                                                               |
| Pathways: | <a href="#">Production of Molecular Mediator of Immune Response</a> |

### Application Details

|                    |                                             |
|--------------------|---------------------------------------------|
| Application Notes: | Approved: ELISA (1:1000), WB (1:50 - 1:100) |
| Comment:           | Target Species of Antibody: Human           |
| Restrictions:      | For Research Use only                       |

### Handling

|                    |                                                                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                                  |
| Concentration:     | Lot specific                                                                                                                            |
| Buffer:            | PBS, 0.09 % sodium azide.                                                                                                               |
| Preservative:      | Sodium azide                                                                                                                            |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.                  |
| Handling Advice:   | Aliquot to avoid repeated freezing and thawing.                                                                                         |
| Storage:           | 4 °C,-20 °C                                                                                                                             |
| Storage Comment:   | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for at least 1 year. |
