## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 400 µL                              |
| Target:              | ROR2                                |
| Binding Specificity: | AA 756-790                          |
| Reactivity:          | Mouse                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This ROR2 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

## Product Details

|               |                                                                                                                                                                                   |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This Mouse Ror2 antibody is generated from a rabbit immunized with a KLH conjugated synthetic peptide between 756-790 amino acids from the C-terminal region of human Mouse Ror2. |
| Purification: | Protein A purified                                                                                                                                                                |

## Target Details

|                   |                                                                    |
|-------------------|--------------------------------------------------------------------|
| Target:           | ROR2                                                               |
| Alternative Name: | ROR2 ( <a href="#">ROR2 Products</a> )                             |
| Background:       | Name/Gene ID: ROR2<br>Subfamily: Trk/Ror<br>Family: Protein Kinase |

## Target Details

|           |                                                                           |
|-----------|---------------------------------------------------------------------------|
|           | Synonyms: ROR2, BDB1, Robinow syndrome, NTRKR2, BDB, Brachydactyly type B |
| Gene ID:  | 4920                                                                      |
| Pathways: | <a href="#">RTK Signaling</a> , <a href="#">WNT Signaling</a>             |

## Application Details

|                    |                                   |
|--------------------|-----------------------------------|
| Application Notes: | Approved: WB (1:1000)             |
| Comment:           | Target Species of Antibody: Mouse |
| Restrictions:      | For Research Use only             |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide.                                                                                              |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
