Datasheet for ABIN2585472  
**anti-NAB1 antibody (AA 237-487)**

### Overview

|                      |                                                                                                                |
|----------------------|----------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                         |
| Target:              | NAB1                                                                                                           |
| Binding Specificity: | AA 237-487                                                                                                     |
| Reactivity:          | Human                                                                                                          |
| Host:                | Mouse                                                                                                          |
| Clonality:           | Monoclonal                                                                                                     |
| Conjugate:           | This NAB1 antibody is un-conjugated                                                                            |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

### Product Details

|               |                                                                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | Human recombinant protein fragment corresponding to amino acids 237-487 of human NAB1 (NP_005957) produced in E. coli.<br><br>Type of Immunogen: Recombinant protein |
| Clone:        | 5F2                                                                                                                                                                  |
| Isotype:      | IgG1                                                                                                                                                                 |
| Specificity:  | Human NAB1                                                                                                                                                           |
| Purification: | Immunoaffinity purified                                                                                                                                              |

## Target Details

---

|                   |                                                                                                                     |
|-------------------|---------------------------------------------------------------------------------------------------------------------|
| Target:           | NAB1                                                                                                                |
| Alternative Name: | NAB1 ( <a href="#">NAB1 Products</a> )                                                                              |
| Background:       | Name/Gene ID: NAB1<br><br>Synonyms: NAB1, EGR1 binding protein 1, EGR-1-binding protein 1, NGFI-A-binding protein 1 |
| Gene ID:          | 4664                                                                                                                |
| NCBI Accession:   | <a href="#">NP_005957</a>                                                                                           |

## Application Details

---

|                    |                                           |
|--------------------|-------------------------------------------|
| Application Notes: | Approved: IHC, IHC-P (1:150), WB (1:2000) |
| Comment:           | Target Species of Antibody: Human         |
| Restrictions:      | For Research Use only                     |

## Handling

---

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, pH 7.3, 1 % BSA, 50 % glycerol, 0.02 % sodium azide                                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Handling Advice:   | Minimize freezing and thawing.                                                                                         |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C. Avoid freeze-thaw cycles.                                                                              |
