

Datasheet for ABIN2588485  
**anti-MOBKL1A antibody (AA 120-217)**

[Go to Product page](#)

## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µg                                 |
| Target:              | MOBKL1A (MOB1B)                        |
| Binding Specificity: | AA 120-217                             |
| Reactivity:          | Human                                  |
| Host:                | Mouse                                  |
| Clonality:           | Monoclonal                             |
| Conjugate:           | This MOBKL1A antibody is un-conjugated |
| Application:         | ELISA                                  |

## Product Details

|               |                                                                                                                                                               |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | Partial recombinant (aa120-217) from human MOBKL1A (NP_775739) with GST tag. MW of the GST tag alone is 26 kDa.<br><br>Type of Immunogen: Recombinant protein |
| Isotype:      | IgG1 kappa                                                                                                                                                    |
| Specificity:  | Human MOB1B / MOBKL1A.                                                                                                                                        |
| Purification: | Affinity purified                                                                                                                                             |

## Target Details

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Target:           | MOBKL1A (MOB1B)                                    |
| Alternative Name: | MOB1B / MOBKL1A ( <a href="#">MOB1B Products</a> ) |

## Target Details

|                 |                                                                                                                 |
|-----------------|-----------------------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: MOB1B                                                                                             |
|                 | Synonyms: MOB1B, MOB kinase activator 1B, MOB4A, Mob1 homolog 1A, MOBKL1A, MATS2, MOB1 Mps One Binder homolog B |
| Gene ID:        | 92597                                                                                                           |
| NCBI Accession: | <a href="#">NP_775739</a>                                                                                       |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                     |
| Concentration:   | Lot specific                                                                                                                               |
| Buffer:          | PBS, pH 7.2.                                                                                                                               |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                            |
| Storage:         | 4 °C,-20 °C                                                                                                                                |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C.<br>Aliquots are stable for at least 1 year. |
