## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 200 µL                              |
| Target:              | ARL2                                |
| Binding Specificity: | AA 54-82                            |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This ARL2 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA        |

## Product Details

|               |                                                                                                                                                                 |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Isotype:      | IgG                                                                                                                                                             |
| Specificity:  | This ARL2 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 54-82 amino acids from the Central region of human ARL2. |
| Purification: | Affinity purified                                                                                                                                               |

## Target Details

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Target:           | ARL2                                                           |
| Alternative Name: | ARL2 ( <a href="#">ARL2 Products</a> )                         |
| Background:       | Name/Gene ID: ARL2<br>Family: Ras GTPase superfamily IPR001806 |

## Target Details

|           |                                                                                                   |
|-----------|---------------------------------------------------------------------------------------------------|
|           | Synonyms: ARL2, ARFL2, ADP-ribosylation factor-like 2                                             |
| Gene ID:  | 402                                                                                               |
| Pathways: | <a href="#">Cell-Cell Junction Organization</a> , <a href="#">Maintenance of Protein Location</a> |

## Application Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Application Notes: | Approved: ELISA (1:1000), WB (1:100 - 1:500) |
| Comment:           | Target Species of Antibody: Human            |
| Restrictions:      | For Research Use only                        |

## Handling

|                    |                                                                                                                                |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                         |
| Concentration:     | Lot specific                                                                                                                   |
| Buffer:            | PBS, pH 7.2, 0.09 % sodium azide.                                                                                              |
| Preservative:      | Sodium azide                                                                                                                   |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.         |
| Handling Advice:   | Aliquot to avoid repeated freezing and thawing.                                                                                |
| Storage:           | 4 °C,-20 °C                                                                                                                    |
| Storage Comment:   | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for 1 year. |
