

Datasheet for ABIN2589747  
**anti-TNFRSF13C antibody (AA 1-184)**

[Go to Product page](#)

## Overview

|                      |                                          |
|----------------------|------------------------------------------|
| Quantity:            | 100 µg                                   |
| Target:              | TNFRSF13C                                |
| Binding Specificity: | AA 1-184                                 |
| Reactivity:          | Human, Mouse                             |
| Host:                | Rabbit                                   |
| Clonality:           | Polyclonal                               |
| Conjugate:           | This TNFRSF13C antibody is un-conjugated |
| Application:         | Western Blotting (WB)                    |

## Product Details

|               |                                                     |
|---------------|-----------------------------------------------------|
| Immunogen:    | Full length human TNFRSF13C, aa1-184 (NP_443177.1). |
|               | Type of Immunogen: Recombinant protein              |
| Isotype:      | IgG                                                 |
| Specificity:  | Human BAFF Receptor / BAFF-R                        |
| Purification: | Affinity purified                                   |

## Target Details

|                   |                                                      |
|-------------------|------------------------------------------------------|
| Target:           | TNFRSF13C                                            |
| Alternative Name: | BAFF Receptor ( <a href="#">TNFRSF13C Products</a> ) |

## Target Details

|             |                                                                                                                                                                               |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Background: | Name/Gene ID: TNFRSF13C<br>Family: TNF Receptor<br><br>Synonyms: TNFRSF13C, BAFFR, BR3, BAFF receptor, BLyS receptor 3, CD268, CD268 antigen, CVID4, Prolixin, BAFF-R, BROMIX |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|          |        |
|----------|--------|
| Gene ID: | 115650 |
|----------|--------|

|                 |                           |
|-----------------|---------------------------|
| NCBI Accession: | <a href="#">NP_443177</a> |
|-----------------|---------------------------|

|           |                                     |
|-----------|-------------------------------------|
| Pathways: | <a href="#">NF-kappaB Signaling</a> |
|-----------|-------------------------------------|

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |              |
|---------|--------------|
| Buffer: | PBS, pH 7.2. |
|---------|--------------|

|                  |                                                 |
|------------------|-------------------------------------------------|
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
|------------------|-------------------------------------------------|

|          |             |
|----------|-------------|
| Storage: | 4 °C,-20 °C |
|----------|-------------|

|                  |                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C.<br>Aliquots are stable for at least 1 year. |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
