

Datasheet for ABIN2594997  
**anti-CHN1 antibody (AA 1-459)**

[Go to Product page](#)

## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 100 µg                              |
| Target:              | CHN1 (ARHGAP2)                      |
| Binding Specificity: | AA 1-459                            |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This CHN1 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

## Product Details

|               |                                                |
|---------------|------------------------------------------------|
| Immunogen:    | Full length human CHN1, aa1-459 (NP_001813.1). |
|               | Type of Immunogen: Recombinant protein         |
| Isotype:      | IgG                                            |
| Specificity:  | Human CHN1                                     |
| Purification: | Affinity purified                              |

## Target Details

|                   |                                           |
|-------------------|-------------------------------------------|
| Target:           | CHN1 (ARHGAP2)                            |
| Alternative Name: | CHN1 ( <a href="#">ARHGAP2 Products</a> ) |

## Target Details

|                 |                                                                                                                                                                         |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: CHN1                                                                                                                                                      |
|                 | Synonyms: CHN1, A-chimaerin, Alpha-chimerin, Chimerin 1, Chimerin (chimaerin) 1, CHN, DURS2, Duane retraction syndrome 2, N-chimaerin, N-chimerin, NC, RhoGAP2, ARHGAP2 |
| Gene ID:        | 1123                                                                                                                                                                    |
| NCBI Accession: | <a href="#">NP_001813</a>                                                                                                                                               |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                         |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                  |
| Concentration:   | Lot specific                                                                                                                            |
| Buffer:          | PBS, pH 7.2.                                                                                                                            |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                         |
| Storage:         | 4 °C,-20 °C                                                                                                                             |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for at least 1 year. |
