## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µL                               |
| Target:              | CMTM1                                |
| Binding Specificity: | C-Term                               |
| Reactivity:          | Human, Mouse, Rat                    |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This CMTM1 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|               |                                                                                                                                                   |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | KLH-conjugated synthetic peptide encompassing a sequence within the C-terminal region of human CMTM1.<br><br>Type of Immunogen: Synthetic peptide |
| Specificity:  | Recognizes endogenous levels of CMTM1 protein.                                                                                                    |
| Purification: | Immunoaffinity purified                                                                                                                           |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | CMTM1                                    |
| Alternative Name: | CMTM1 ( <a href="#">CMTM1 Products</a> ) |
| Background:       | Name/Gene ID: CMTM1                      |

## Target Details

---

Synonyms: CMTM1

Gene ID: 113540

## Application Details

---

Application Notes: Approved: WB (1:500 - 1:1000)

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

---

Format: Liquid

Concentration: Lot specific

Buffer: PBS, pH 7.3, 0.01 % sodium azide, 30 % glycerol.

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Handling Advice: Aliquot to avoid freeze/thaw cycles.

Storage: -20 °C

Storage Comment: Store at -20°C. Aliquot to avoid freeze/thaw cycles.
