## Overview

|                      |                                       |
|----------------------|---------------------------------------|
| Quantity:            | 50 µg                                 |
| Target:              | DALRD3                                |
| Binding Specificity: | AA 1-543                              |
| Reactivity:          | Human                                 |
| Host:                | Mouse                                 |
| Clonality:           | Polyclonal                            |
| Conjugate:           | This DALRD3 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                 |

## Product Details

|               |                                                     |
|---------------|-----------------------------------------------------|
| Immunogen:    | Full length human DALRD3, aa1-543 (NP_001009996.1). |
|               | Type of Immunogen: Recombinant protein              |
| Isotype:      | IgG                                                 |
| Specificity:  | Human DALRD3                                        |
| Purification: | Affinity purified                                   |

## Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | DALRD3                                     |
| Alternative Name: | DALRD3 ( <a href="#">DALRD3 Products</a> ) |

## Target Details

|                 |                              |
|-----------------|------------------------------|
| Background:     | Name/Gene ID: DALRD3         |
|                 | Synonyms: DALRD3             |
| Gene ID:        | 55152                        |
| NCBI Accession: | <a href="#">NP_001009996</a> |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                     |
| Concentration:   | Lot specific                                                                                                                               |
| Buffer:          | PBS, pH 7.2.                                                                                                                               |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                            |
| Storage:         | 4 °C,-20 °C                                                                                                                                |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C.<br>Aliquots are stable for at least 1 year. |
