## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | DDX56                                |
| Binding Specificity: | AA 1-547                             |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This DDX56 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|               |                                                 |
|---------------|-------------------------------------------------|
| Immunogen:    | Full length human DDX56, aa1-547 (NP_061955.1). |
|               | Type of Immunogen: Recombinant protein          |
| Isotype:      | IgG                                             |
| Specificity:  | Human DDX56.                                    |
| Purification: | Affinity purified                               |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | DDX56                                    |
| Alternative Name: | DDX56 ( <a href="#">DDX56 Products</a> ) |

## Target Details

|                 |                                                                                                                                                                                                               |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: DDX56<br>Family: DEAD box protein<br><br>Synonyms: DDX56, 61-kd nucleolar helicase, DEAD-box RNA helicase, DEAD box protein 56, DEAD box protein 21, Nucleolar helicase of 61 kDa, NOH61, DDX26 |
| Gene ID:        | 54606                                                                                                                                                                                                         |
| NCBI Accession: | <a href="#">NP_061955</a>                                                                                                                                                                                     |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                         |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                  |
| Concentration:   | Lot specific                                                                                                                            |
| Buffer:          | PBS, pH 7.2.                                                                                                                            |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                         |
| Storage:         | 4 °C,-20 °C                                                                                                                             |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for at least 1 year. |
