## Overview

|                      |                                     |
|----------------------|-------------------------------------|
| Quantity:            | 400 µL                              |
| Target:              | DHX8                                |
| Binding Specificity: | AA 339-373                          |
| Reactivity:          | Human                               |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This DHX8 antibody is un-conjugated |
| Application:         | Western Blotting (WB)               |

## Product Details

|               |                                                                                                                                                                       |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This DHX8 antibody is generated from a rabbit immunized with a KLH conjugated synthetic peptide between 339-373 amino acids from the N-terminal region of human DHX8. |
| Purification: | Protein A purified                                                                                                                                                    |

## Target Details

|                   |                                                                                                                                        |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Target:           | DHX8                                                                                                                                   |
| Alternative Name: | DHX8 ( <a href="#">DHX8 Products</a> )                                                                                                 |
| Background:       | Name/Gene ID: DHX8<br><br>Synonyms: DHX8, DEAD/H BOX 8, DEAH-box protein 8, RNA helicase HRH1, DDX8, DEAH box protein 8, PRP22, PRPF22 |

### Target Details

|          |      |
|----------|------|
| Gene ID: | 1659 |
|----------|------|

### Application Details

|                    |                                   |
|--------------------|-----------------------------------|
| Application Notes: | Approved: WB (1:1000)             |
| Comment:           | Target Species of Antibody: Human |
| Restrictions:      | For Research Use only             |

### Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, 0.09 % sodium azide.                                                                                              |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | 4 °C,-20 °C                                                                                                            |
| Storage Comment:   | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.                               |
| Expiry Date:       | 6 months                                                                                                               |
