## Overview

|                      |                                       |
|----------------------|---------------------------------------|
| Quantity:            | 50 µg                                 |
| Target:              | DUSP19                                |
| Binding Specificity: | AA 1-218                              |
| Reactivity:          | Human                                 |
| Host:                | Mouse                                 |
| Clonality:           | Polyclonal                            |
| Conjugate:           | This DUSP19 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                 |

## Product Details

|               |                                               |
|---------------|-----------------------------------------------|
| Immunogen:    | Full length human DUSP19, aa1-218 (AAH35000). |
|               | Type of Immunogen: Recombinant protein        |
| Isotype:      | IgG                                           |
| Specificity:  | Human DUSP19 / SKRP1.                         |
| Purification: | Affinity purified                             |

## Target Details

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Target:           | DUSP19                                             |
| Alternative Name: | DUSP19 / SKRP1 ( <a href="#">DUSP19 Products</a> ) |

## Target Details

|             |                                                                                               |
|-------------|-----------------------------------------------------------------------------------------------|
| Background: | Name/Gene ID: DUSP19                                                                          |
|             | Subfamily: LMW-DSP                                                                            |
|             | Synonyms: DUSP19, DUSP17, LMW-DSP3, LMWDSP3, Protein phosphatase SKRP1, TS-DSP1, LDP-2, SKRP1 |
| Gene ID:    | 142679                                                                                        |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                     |
| Concentration:   | Lot specific                                                                                                                               |
| Buffer:          | PBS, pH 7.2.                                                                                                                               |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                            |
| Storage:         | 4 °C,-20 °C                                                                                                                                |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C.<br>Aliquots are stable for at least 1 year. |
