## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µg                                 |
| Target:              | GAL3ST4                                |
| Binding Specificity: | AA 388-487                             |
| Reactivity:          | Human                                  |
| Host:                | Mouse                                  |
| Clonality:           | Monoclonal                             |
| Conjugate:           | This GAL3ST4 antibody is un-conjugated |
| Application:         | ELISA                                  |

## Product Details

|               |                                                                                                                                                               |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | Partial recombinant (aa388-487) from human GAL3ST4 (NP_078913) with GST tag. MW of the GST tag alone is 26 KDa.<br><br>Type of Immunogen: Recombinant protein |
| Isotype:      | IgG2a kappa                                                                                                                                                   |
| Specificity:  | Human GAL3ST4                                                                                                                                                 |
| Purification: | Affinity purified                                                                                                                                             |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | GAL3ST4                                      |
| Alternative Name: | GAL3ST4 ( <a href="#">GAL3ST4 Products</a> ) |

## Target Details

|             |                             |
|-------------|-----------------------------|
| Background: | Name/Gene ID: GAL3ST4       |
|             | Synonyms: GAL3ST4, GAL3ST-4 |

|          |       |
|----------|-------|
| Gene ID: | 79690 |
|----------|-------|

|                 |                           |
|-----------------|---------------------------|
| NCBI Accession: | <a href="#">NP_078913</a> |
|-----------------|---------------------------|

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
|--------------------|--------------------------------------------------------------------|

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |              |
|---------|--------------|
| Buffer: | PBS, pH 7.2. |
|---------|--------------|

|                  |                                                 |
|------------------|-------------------------------------------------|
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
|------------------|-------------------------------------------------|

|          |             |
|----------|-------------|
| Storage: | 4 °C,-20 °C |
|----------|-------------|

|                  |                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C.<br>Aliquots are stable for at least 1 year. |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
