## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | HMGB2                                |
| Binding Specificity: | AA 1-209                             |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This HMGB2 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|               |                                                 |
|---------------|-------------------------------------------------|
| Immunogen:    | Full length human HMGB2, aa1-209 (NP_002120.1). |
|               | Type of Immunogen: Recombinant protein          |
| Isotype:      | IgG                                             |
| Specificity:  | Human HMG2 / HMGB2                              |
| Purification: | Affinity purified                               |

## Target Details

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Target:           | HMGB2                                           |
| Alternative Name: | HMG2 / HMGB2 ( <a href="#">HMGB2 Products</a> ) |

## Target Details

|                 |                                                                                                                                                                              |
|-----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: HMGB2<br><br>Synonyms: HMGB2, HMG-2, High mobility group box 2, High-mobility group box 2, HMG2, High mobility group protein 2, High mobility group protein B2 |
| Gene ID:        | 3148                                                                                                                                                                         |
| NCBI Accession: | <a href="#">NP_002120</a>                                                                                                                                                    |
| Pathways:       | <a href="#">Cellular Response to Molecule of Bacterial Origin</a>                                                                                                            |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                         |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                  |
| Concentration:   | Lot specific                                                                                                                            |
| Buffer:          | PBS, pH 7.2.                                                                                                                            |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                         |
| Storage:         | 4 °C, -20 °C                                                                                                                            |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for at least 1 year. |
