## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | HOXC8                                |
| Binding Specificity: | AA 1-242                             |
| Reactivity:          | Human                                |
| Host:                | Rabbit                               |
| Clonality:           | Polyclonal                           |
| Conjugate:           | This HOXC8 antibody is un-conjugated |
| Application:         | Western Blotting (WB)                |

## Product Details

|               |                                                 |
|---------------|-------------------------------------------------|
| Immunogen:    | Full length human HOXC8, aa1-242 (NP_073149.1). |
|               | Type of Immunogen: Recombinant protein          |
| Isotype:      | IgG                                             |
| Specificity:  | Human HOXC8.                                    |
| Purification: | Affinity purified                               |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | HOXC8                                    |
| Alternative Name: | HOXC8 ( <a href="#">HOXC8 Products</a> ) |

Target Details

|                 |                                                                                                                                                     |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: HOXC8                                                                                                                                 |
|                 | Synonyms: HOXC8, Homeo box C8, Homeobox protein Hox-C8, Hox-3.1, mouse, homolog of, HOX3A, Homeo box 3A, Homeobox C8, Homeobox protein Hox-3A, HOX3 |
| Gene ID:        | 3224                                                                                                                                                |
| NCBI Accession: | <a href="#">NP_073149</a>                                                                                                                           |

Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

Handling

|                  |                                                                                                                                         |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                  |
| Concentration:   | Lot specific                                                                                                                            |
| Buffer:          | PBS, pH 7.2.                                                                                                                            |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                         |
| Storage:         | 4 °C,-20 °C                                                                                                                             |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for at least 1 year. |
