## Overview

|                      |                                      |
|----------------------|--------------------------------------|
| Quantity:            | 100 µg                               |
| Target:              | IL17B                                |
| Binding Specificity: | AA 23-123                            |
| Reactivity:          | Human                                |
| Host:                | Mouse                                |
| Clonality:           | Monoclonal                           |
| Conjugate:           | This IL17B antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA         |

## Product Details

|               |                                                                                                                                                            |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | Partial recombinant (aa23-123) from human IL17B (NP_055258) with GST tag. MW of the GST tag alone is 26 KDa.<br><br>Type of Immunogen: Recombinant protein |
| Isotype:      | IgG2a kappa                                                                                                                                                |
| Specificity:  | Human 17B / IL-17B                                                                                                                                         |
| Purification: | Affinity purified                                                                                                                                          |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | IL17B                                    |
| Alternative Name: | IL17B ( <a href="#">IL17B Products</a> ) |

## Target Details

|                 |                                                                                                                                                                                                                               |
|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: IL17B<br>Family: Interleukin<br><br>Synonyms: IL17B, Cytokine Zcyto7, Cytokine-like protein ZCYTO7, IL-17B, Interleukin 17B, Interleukin 20, Interleukin-17 beta, Interleukin-17B, NIRF, Interleukin-20, ZCYTO7 |
| Gene ID:        | 27190                                                                                                                                                                                                                         |
| NCBI Accession: | <a href="#">NP_055258</a>                                                                                                                                                                                                     |

## Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

## Handling

|                  |                                                                                                                                         |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                  |
| Concentration:   | Lot specific                                                                                                                            |
| Buffer:          | PBS, pH 7.2.                                                                                                                            |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                         |
| Storage:         | 4 °C,-20 °C                                                                                                                             |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for at least 1 year. |
