## Datasheet for ABIN2612406 **anti-LBH antibody (AA 26-53)**

### Overview

|                      |                                    |
|----------------------|------------------------------------|
| Quantity:            | 200 µL                             |
| Target:              | LBH                                |
| Binding Specificity: | AA 26-53                           |
| Reactivity:          | Human                              |
| Host:                | Rabbit                             |
| Clonality:           | Polyclonal                         |
| Conjugate:           | This LBH antibody is un-conjugated |
| Application:         | ELISA, Western Blotting (WB)       |

### Product Details

|               |   |
|---------------|---|
| Isotype:      | IgG   |
| Specificity:  | This LBH antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 26-53 amino acids from the Central region of human LBH. |
| Purification: | Affinity purified   |

### Target Details

|  |                                      |
|--|--------------------------------------|
| Target:  | LBH                                  |
| Alternative Name:  | LBH ( <a href="#">LBH Products</a> ) |
| Background:  | Name/Gene ID: LBH                    |
| Synonyms: LBH, Limb bud and heart development, HLBH, Protein LBH |                                      |

## Target Details

|          |       |
|----------|-------|
| Gene ID: | 81606 |
|----------|-------|

## Application Details

|                    |  |
|--------------------|--|
| Application Notes: | Approved: ELISA (1:1000), WB (1:100 - 1:500) |
|--------------------|--|

|          |                                   |
|----------|-----------------------------------|
| Comment: | Target Species of Antibody: Human |
|----------|-----------------------------------|

|               |                       |
|---------------|-----------------------|
| Restrictions: | For Research Use only |
|---------------|-----------------------|

## Handling

|         |        |
|---------|--------|
| Format: | Liquid |
|---------|--------|

|                |              |
|----------------|--------------|
| Concentration: | Lot specific |
|----------------|--------------|

|         |                                   |
|---------|-----------------------------------|
| Buffer: | PBS, pH 7.2, 0.09 % sodium azide. |
|---------|-----------------------------------|

|               |              |
|---------------|--------------|
| Preservative: | Sodium azide |
|---------------|--------------|

|                    |  |
|--------------------|--|
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
|--------------------|--|

|                  |   |
|------------------|---|
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
|------------------|---|

|          |              |
|----------|--------------|
| Storage: | 4 °C, -20 °C |
|----------|--------------|

|                  |  |
|------------------|--|
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. Aliquots are stable for 1 year. |
|------------------|--|
