**anti-Galectin 9 antibody (HRP)**[Go to Product page](#)**1** Image

## Overview

|              |                                                                                                                       |
|--------------|-----------------------------------------------------------------------------------------------------------------------|
| Quantity:    | 100 µg                                                                                                                |
| Target:      | Galectin 9 (LGALS9)                                                                                                   |
| Reactivity:  | Human                                                                                                                 |
| Host:        | Rabbit                                                                                                                |
| Clonality:   | Polyclonal                                                                                                            |
| Conjugate:   | This Galectin 9 antibody is conjugated to HRP                                                                         |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC), ELISA, Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|               |                                                                                     |
|---------------|-------------------------------------------------------------------------------------|
| Immunogen:    | Recombinant human Galectin-9 protein.<br><br>Type of Immunogen: Recombinant protein |
| Isotype:      | IgG                                                                                 |
| Specificity:  | Human LGALS9 / Galectin 9                                                           |
| Purification: | Caprylic acid and ammonium sulfate precipitation                                    |

## Target Details

|                   |                                                         |
|-------------------|---------------------------------------------------------|
| Target:           | Galectin 9 (LGALS9)                                     |
| Alternative Name: | LGALS9 / Galectin 9 ( <a href="#">LGALS9 Products</a> ) |
| Background:       | Name/Gene ID: LGALS9                                    |

## Target Details

Synonyms: LGALS9, Gal-9, HUAT, Galectin 9, Galectin-9, LGALS9A, Tumor antigen HOM-HD-21, Ecalectin

Gene ID: 3965

## Application Details

Application Notes: Approved: ELISA, IHC, IHC-P, WB

Usage: The applications listed have been tested for the unconjugated form of this product.  
Other forms have not been tested.

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: PBS, pH 7.4, 0.03 % Proclin 300, 50 % glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Handling Advice: Avoid freeze-thaw cycles.

Storage: -20 °C, -80 °C

Storage Comment: Aliquot and store at -20°C or -80°C. Avoid freeze-thaw cycles.

#### Immunohistochemistry (Paraffin-embedded Sections)

**Image 1.** Human Colon: Formalin-Fixed, Paraffin-Embedded (FFPE). This image was taken for the unconjugated form of this product. Other forms have not been tested.
