## Overview

|              |                                      |
|--------------|--------------------------------------|
| Quantity:    | 100 µg                               |
| Target:      | A4GNT                                |
| Reactivity:  | Human                                |
| Host:        | Rabbit                               |
| Clonality:   | Polyclonal                           |
| Conjugate:   | This A4GNT antibody is un-conjugated |
| Application: | Western Blotting (WB), ELISA         |

## Product Details

|               |          |
|---------------|----------|
| Isotype:      | IgG      |
| Purification: | Purified |

## Target Details

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Target:           | A4GNT                                                 |
| Alternative Name: | Alpha4GnT / A4GNT ( <a href="#">A4GNT Products</a> )  |
| Background:       | Name/Gene ID: A4GNT<br><br>Synonyms: A4GNT, Alpha4GnT |
| Gene ID:          | 51146                                                 |

Application Details

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Application Notes: | Approved: ELISA (1:80000), WB (1:1000 - 1:5000) |
| Comment:           | Target Species of Antibody: Human               |
| Restrictions:      | For Research Use only                           |

Handling

|                  |                                                                       |
|------------------|-----------------------------------------------------------------------|
| Format:          | Lyophilized                                                           |
| Reconstitution:  | Sterile PBS                                                           |
| Concentration:   | Lot specific                                                          |
| Buffer:          | Lyophilized from PBS, no preservatives added                          |
| Preservative:    | Without preservative                                                  |
| Handling Advice: | Avoid freeze-thaw cycles.                                             |
| Storage:         | 4 °C,-20 °C                                                           |
| Storage Comment: | Short term: 4°C. Long term: Store at -20°C. Avoid freeze-thaw cycles. |
