

Datasheet for ABIN2617020  
**anti-APOBEC3C antibody (AA 91-191)**

[Go to Product page](#)

## Overview

|                      |                                         |
|----------------------|-----------------------------------------|
| Quantity:            | 100 µg                                  |
| Target:              | APOBEC3C                                |
| Binding Specificity: | AA 91-191                               |
| Reactivity:          | Human                                   |
| Host:                | Mouse                                   |
| Clonality:           | Monoclonal                              |
| Conjugate:           | This APOBEC3C antibody is un-conjugated |
| Application:         | ELISA, Immunoprecipitation (IP)         |

## Product Details

|               |                                                                                                                                                               |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | Partial recombinant (aa91-191) from human APOBEC3C (NP_055323) with GST tag. MW of the GST tag alone is 26 KDa.<br><br>Type of Immunogen: Recombinant protein |
| Isotype:      | IgG2a kappa                                                                                                                                                   |
| Specificity:  | Human APOBEC3C.                                                                                                                                               |
| Purification: | Affinity purified                                                                                                                                             |

## Target Details

|                   |                                                |
|-------------------|------------------------------------------------|
| Target:           | APOBEC3C                                       |
| Alternative Name: | APOBEC3C ( <a href="#">APOBEC3C Products</a> ) |

### Target Details

|                 |                                                                                                |
|-----------------|------------------------------------------------------------------------------------------------|
| Background:     | Name/Gene ID: APOBEC3C                                                                         |
|                 | Synonyms: APOBEC3C, A3C, APOBEC1-like, APOBEC1L, ARP5, BK150C2.3, Phorbol i, ARDC2, ARDC4, PBI |
| Gene ID:        | 27350                                                                                          |
| NCBI Accession: | <a href="#">NP_055323</a>                                                                      |

### Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Comment:           | Target Species of Antibody: Human                                  |
| Restrictions:      | For Research Use only                                              |

### Handling

|                  |                                                                                                                                            |
|------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Format:          | Liquid                                                                                                                                     |
| Concentration:   | Lot specific                                                                                                                               |
| Buffer:          | PBS, pH 7.2.                                                                                                                               |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing.                                                                                            |
| Storage:         | 4 °C,-20 °C                                                                                                                                |
| Storage Comment: | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C.<br>Aliquots are stable for at least 1 year. |
