## Datasheet for ABIN2626431 anti-NXT1 antibody (AA 85-111)

Overview

| Quantity:            | 200 µL                              |
|----------------------|-------------------------------------|
| Target:              | NXT1                                |
| Binding Specificity: | AA 85-111                           |
| Reactivity:          | Mouse, Human                        |
| Host:                | Rabbit                              |
| Clonality:           | Polyclonal                          |
| Conjugate:           | This NXT1 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA        |

## Product Details

| lsotype:      | lgG                                                                                                                                                                 |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Specificity:  | This NXT1 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 85-111 amino acids from the C-terminal region of human NXT1. |
| Purification: | Affinity purified                                                                                                                                                   |

## Target Details

| Target:           | NXT1                 |
|-------------------|----------------------|
| Alternative Name: | NXT1 (NXT1 Products) |
| Background:       | Name/Gene ID: NXT1   |

Synonyms: NXT1, NUTF-like export factor 1, p15, MTr2, NTX2-like export factor1, Protein p15,

## Target Details

|                     | NTF2-like export factor 1, NTF2-related export protein 1                                       |
|---------------------|------------------------------------------------------------------------------------------------|
| Gene ID:            | 29107                                                                                          |
|                     |                                                                                                |
| Application Details |                                                                                                |
| Application Notes:  | Approved: ELISA (1:1000), WB (1:100 - 1:500)                                                   |
| Comment:            | Target Species of Antibody: Human                                                              |
| Restrictions:       | For Research Use only                                                                          |
|                     |                                                                                                |
| Handling            |                                                                                                |
| Format:             | Liquid                                                                                         |
| Concentration:      | Lot specific                                                                                   |
| Buffer:             | PBS, pH 7.2, 0.09 % sodium azide.                                                              |
| Preservative:       | Sodium azide                                                                                   |
| Precaution of Use:  | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which                  |
|                     | should be handled by trained staff only.                                                       |
| Handling Advice:    | Aliquot to avoid repeated freezing and thawing.                                                |
| Storage:            | 4 °C,-20 °C                                                                                    |
| Storage Comment:    | May be stored at 4°C for short-term only. Aliquot to avoid freeze-thaw cycles. Store at -20°C. |
|                     | Aliquots are stable for 1 year.                                                                |
