## Overview

|              |                      |
|--------------|----------------------|
| Quantity:    | 0.1 mg               |
| Target:      | FATE1                |
| Reactivity:  | Human                |
| Host:        | Mouse                |
| Clonality:   | Monoclonal           |
| Application: | Luminex Assay (LMNX) |

## Product Details

|            |                                                                                            |
|------------|--------------------------------------------------------------------------------------------|
| Immunogen: | Full length human recombinant protein of human FATE1 (NM_033085) produced in HEK293T cell. |
| Clone:     | OTI3D7                                                                                     |
| Isotype:   | IgG1                                                                                       |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | FATE1                                    |
| Alternative Name: | FATE1 ( <a href="#">FATE1 Products</a> ) |
| NCBI Accession:   | <a href="#">NM_033085</a>                |
| HGNC:             | 89885                                    |

Application Details

---

|                    |                       |
|--------------------|-----------------------|
| Application Notes: | LMNX                  |
| Restrictions:      | For Research Use only |

Handling

---

|                |           |
|----------------|-----------|
| Concentration: | 0.5 mg/mL |
|----------------|-----------|
