## Overview

|              |                                                   |
|--------------|---------------------------------------------------|
| Quantity:    | 100 µL                                            |
| Target:      | AKR1B10                                           |
| Reactivity:  | Human, Mouse, Rat                                 |
| Host:        | Rabbit                                            |
| Clonality:   | Polyclonal                                        |
| Conjugate:   | This AKR1B10 antibody is un-conjugated            |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC) |

## Product Details

|                  |                                      |
|------------------|--------------------------------------|
| Immunogen:       | Recombinant protein of human AKR1B10 |
| Isotype:         | IgG                                  |
| Characteristics: | Rabbit Polyclonal to AKR1B10.        |
| Purification:    | Affinity purification                |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | AKR1B10                                      |
| Alternative Name: | AKR1B10 ( <a href="#">AKR1B10 Products</a> ) |
| Gene ID:          | 57016                                        |
| UniProt:          | <a href="#">O60218</a>                       |

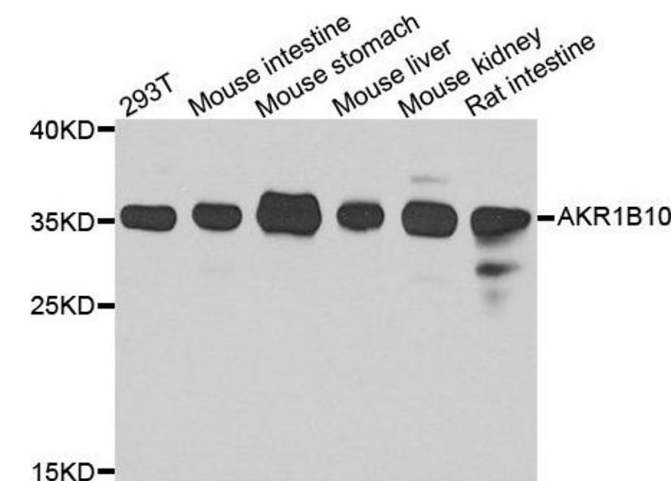

## Application Details

|                    |                                 |
|--------------------|---------------------------------|
| Application Notes: | WB 1:500-1:2000, IHC 1:50-1:200 |
| Restrictions:      | For Research Use only           |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | 1 mg/mL                                                                                                                |
| Buffer:            | PBS with 0.02 % sodium azide, 50 % glycerol, pH 7.4                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Handling Advice:   | Avoid repeated freeze/thaw cycles.                                                                                     |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C.                                                                                                        |
