## anti-ALG1 antibody

[Go to Product page](#)

### 1 Image

#### Overview

|              |                                                                            |
|--------------|----------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                     |
| Target:      | ALG1                                                                       |
| Reactivity:  | Human                                                                      |
| Host:        | Rabbit                                                                     |
| Clonality:   | Polyclonal                                                                 |
| Conjugate:   | This ALG1 antibody is un-conjugated                                        |
| Application: | Western Blotting (WB), Immunohistochemistry (IHC), Immunofluorescence (IF) |

#### Product Details

|                  |                                   |
|------------------|-----------------------------------|
| Immunogen:       | Recombinant protein of human ALG1 |
| Isotype:         | IgG                               |
| Characteristics: | Rabbit Polyclonal to ALG1.        |
| Purification:    | Affinity purification             |

#### Target Details

|                   |                                        |
|-------------------|----------------------------------------|
| Target:           | ALG1                                   |
| Alternative Name: | ALG1 ( <a href="#">ALG1 Products</a> ) |
| Gene ID:          | 56052                                  |
| UniProt:          | <a href="#">Q9BT22</a>                 |

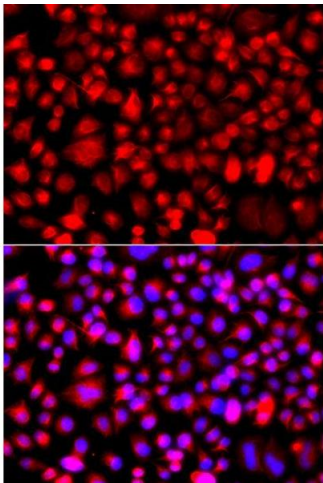

## Application Details

|                    |                                                |
|--------------------|------------------------------------------------|
| Application Notes: | WB 1:500-1:2000, IHC 1:50-1:200, IF 1:50-1:100 |
| Restrictions:      | For Research Use only                          |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | 1 mg/mL                                                                                                                |
| Buffer:            | PBS with 0.02 % sodium azide, 50 % glycerol, pH 7.4                                                                    |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Handling Advice:   | Avoid repeated freeze/thaw cycles.                                                                                     |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C.                                                                                                        |
