## Overview

|                      |                                                                                                    |
|----------------------|----------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                             |
| Target:              | PPM1K                                                                                              |
| Binding Specificity: | AA 1-364                                                                                           |
| Reactivity:          | Human                                                                                              |
| Host:                | Rabbit                                                                                             |
| Clonality:           | Polyclonal                                                                                         |
| Conjugate:           | This PPM1K antibody is un-conjugated                                                               |
| Application:         | Western Blotting (WB), Immunohistochemistry (Formalin-fixed Paraffin-embedded Sections) (IHC (fp)) |

## Product Details

|            |                                                                                  |
|------------|----------------------------------------------------------------------------------|
| Purpose:   | PPM1K antibody [N1C3], 1 mg/ml                                                   |
| Immunogen: | Recombinant fragment corresponding to a region within amino acids 1-364 of PPM1K |
| Isotype:   | IgG                                                                              |

## Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | PPM1K                                    |
| Alternative Name: | PPM1K ( <a href="#">PPM1K Products</a> ) |
| Molecular Weight: | 41 kDa                                   |
| Gene ID:          | 152926                                   |

Application Details

|                    |                                                              |
|--------------------|--------------------------------------------------------------|
| Application Notes: | IHC (Formalin-fixed paraffin-embedded sections),Western blot |
| Restrictions:      | For Research Use only                                        |

Handling

|                    |                                                                                                                                    |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                             |
| Concentration:     | 1 mg/mL                                                                                                                            |
| Buffer:            | 0.1M Tris, 0.1M Glycine, 10 % Glycerol ( pH 7). 0.01 % Thimerosal was added as a preservative.                                     |
| Preservative:      | Thimerosal (Merthiolate)                                                                                                           |
| Precaution of Use: | This product contains Thimerosal (Merthiolate): a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                             |
| Storage Comment:   | -20°C                                                                                                                              |
