

Datasheet for ABIN2802275

**anti-IBA57-AS1 antibody (AA 31-110) (AbBy Fluor® 594)**[Go to Product page](#)

## Overview

|                      |                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                                         |
| Target:              | IBA57-AS1                                                                                                                      |
| Binding Specificity: | AA 31-110                                                                                                                      |
| Reactivity:          | Human                                                                                                                          |
| Host:                | Rabbit                                                                                                                         |
| Clonality:           | Polyclonal                                                                                                                     |
| Conjugate:           | This IBA57-AS1 antibody is conjugated to AbBy Fluor® 594                                                                       |
| Application:         | Western Blotting (WB), Immunofluorescence (Cultured Cells) (IF (cc)), Immunofluorescence (Paraffin-embedded Sections) (IF (p)) |

## Product Details

|                       |                                                              |
|-----------------------|--------------------------------------------------------------|
| Immunogen:            | KLH conjugated synthetic peptide derived from human C1orf148 |
| Isotype:              | IgG                                                          |
| Predicted Reactivity: | Human                                                        |
| Purification:         | Purified by Protein A.                                       |

## Target Details

|                   |                                                                                   |
|-------------------|-----------------------------------------------------------------------------------|
| Target:           | IBA57-AS1                                                                         |
| Alternative Name: | C1orf148 ( <a href="#">IBA57-AS1 Products</a> )                                   |
| Background:       | Synonyms: C1orf148, Chromosome 1 open reading frame 148, Putative uncharacterized |

## Target Details

protein C1orf148, CA148\_HUMAN.  
Background: C1orf148

## Application Details

Application Notes: IF(IHC-P) 1:50-200  
IF(IHC-F) 1:50-200  
IF(ICC) 1:50-200

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: 1 µg/µL

Buffer: Aqueous buffered solution containing 0.01M TBS ( pH 7.4) with 1 % BSA, 0.03 % Proclin300 and 50 % Glycerol.

Preservative: ProClin

Precaution of Use: This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE, which should be handled by trained staff only.

Storage: -20 °C

Storage Comment: Store at -20°C. Aliquot into multiple vials to avoid repeated freeze-thaw cycles.

Expiry Date: 12 months
