## Overview

|                      |                                                          |
|----------------------|----------------------------------------------------------|
| Quantity:            | 100 µL                                                   |
| Target:              | GZMB                                                     |
| Binding Specificity: | N-Term                                                   |
| Reactivity:          | Human, Mouse, Rat                                        |
| Host:                | Rabbit                                                   |
| Clonality:           | Polyclonal                                               |
| Conjugate:           | This GZMB antibody is un-conjugated                      |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), ELISA |

## Product Details

|               |                                                                                                                      |
|---------------|----------------------------------------------------------------------------------------------------------------------|
| Immunogen:    | The antiserum was produced against synthesized peptide derived from N-terminal of human Granzyme B.                  |
| Specificity:  | Rabbit polyclonal antibody against Granzyme B protein.                                                               |
| Purification: | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen |

## Target Details

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Target:           | GZMB                                            |
| Alternative Name: | Granzyme B ( <a href="#">GZMB Products</a> )    |
| UniProt:          | <a href="#">P10144</a> , <a href="#">P20718</a> |

Target Details

Pathways: [Apoptosis, Caspase Cascade in Apoptosis](#)

Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Restrictions: For Research Use only

Handling

Storage: -20 °C

Storage Comment: Aliquot and store at -20 °C. Avoid repeated freeze/thaw cycles.

Expiry Date: 12 months

Images

Western Blotting

**Image 1.** Western blot analysis of extracts from NIH/3T3 cells, using Granzyme B antibody (ABIN2843546).

Immunohistochemistry

**Image 2.** Immunohistochemical analysis of paraffin-embedded human breast carcinoma tissue using Granzyme B antibody (ABIN2843546).
