### Overview

|              |                                                                                     |
|--------------|-------------------------------------------------------------------------------------|
| Quantity:    | 100 µL                                                                              |
| Target:      | TAF10                                                                               |
| Reactivity:  | Human, Mouse                                                                        |
| Host:        | Mouse                                                                               |
| Clonality:   | Monoclonal                                                                          |
| Conjugate:   | This TAF10 antibody is un-conjugated                                                |
| Application: | Western Blotting (WB), ELISA, Immunohistochemistry (IHC), Immunochromatography (IC) |

### Product Details

|                  |                                          |
|------------------|------------------------------------------|
| Clone:           | 6TA-2B11                                 |
| Isotype:         | IgG1 kappa                               |
| Characteristics: | Mouse Monoclonal antibody to human TAF10 |

### Target Details

|                   |                                          |
|-------------------|------------------------------------------|
| Target:           | TAF10                                    |
| Alternative Name: | TAF10 ( <a href="#">TAF10 Products</a> ) |

### Application Details

|                    |                                                                    |
|--------------------|--------------------------------------------------------------------|
| Application Notes: | Optimal working dilution should be determined by the investigator. |
| Restrictions:      | For Research Use only                                              |

Handling

|                  |                                                 |
|------------------|-------------------------------------------------|
| Format:          | Liquid                                          |
| Handling Advice: | Aliquot to avoid repeated freezing and thawing. |
| Storage:         | -20 °C                                          |
| Storage Comment: | Store at -20 °C.                                |
