

Datasheet for ABIN2884887

**anti-C1orf57 antibody (AA 118-167)**[Go to Product page](#)

## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µL                                 |
| Target:              | C1orf57 (NTPCR)                        |
| Binding Specificity: | AA 118-167                             |
| Reactivity:          | Human                                  |
| Host:                | Rabbit                                 |
| Clonality:           | Polyclonal                             |
| Conjugate:           | This C1orf57 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA           |

## Product Details

|               |                                                                |
|---------------|----------------------------------------------------------------|
| Immunogen:    | Synthetic peptide from human C1orf57 (aa118-167).              |
|               | Type of Immunogen: Synthetic peptide                           |
| Isotype:      | IgG                                                            |
| Specificity:  | C1orf57 Antibodyantibody detects endogenous levels of C1orf57. |
| Purification: | Immunoaffinity purified                                        |

## Target Details

|                   |                                                    |
|-------------------|----------------------------------------------------|
| Target:           | C1orf57 (NTPCR)                                    |
| Alternative Name: | NTPCR / C1orf57 ( <a href="#">NTPCR Products</a> ) |

## Target Details

|             |                                                                                                                                  |
|-------------|----------------------------------------------------------------------------------------------------------------------------------|
| Background: | Name/Gene ID: NTPCR<br><br>Synonyms: NTPCR, C1orf57, HCR-NTPase, RP4-678E16.2, Human cancer-related NTPase, NTPase, RP4-659I19.2 |
| Gene ID:    | 84284                                                                                                                            |
| UniProt:    | <a href="#">Q9BSD7</a>                                                                                                           |

## Application Details

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| Application Notes: | Approved: Peptide-ELISA (1:10000), WB (1:500 - 1:1000) |
| Comment:           | Target Species of Antibody: Human                      |
| Restrictions:      | For Research Use only                                  |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, pH 7.4, 150 mM sodium chloride, 0.02 % sodium azide, 50 % glycerol                                                |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C.                                                                                                        |
