## anti-GIMAP4 antibody (AA 115-164)

[Go to Product page](#)

### Overview

|                      |                                       |
|----------------------|---------------------------------------|
| Quantity:            | 100 µL                                |
| Target:              | GIMAP4                                |
| Binding Specificity: | AA 115-164                            |
| Reactivity:          | Human                                 |
| Host:                | Rabbit                                |
| Clonality:           | Polyclonal                            |
| Conjugate:           | This GIMAP4 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA          |

### Product Details

|               |                                                          |
|---------------|----------------------------------------------------------|
| Immunogen:    | Synthetic peptide derived from human GIMAP4 (aa115-164). |
|               | Type of Immunogen: Synthetic peptide                     |
| Isotype:      | IgG                                                      |
| Specificity:  | GIMAP4 antibody detects endogenous levels of GIMAP4.     |
| Purification: | Immunoaffinity purified                                  |

### Target Details

|                   |                                            |
|-------------------|--------------------------------------------|
| Target:           | GIMAP4                                     |
| Alternative Name: | GIMAP4 ( <a href="#">GIMAP4 Products</a> ) |

## Target Details

|             |                                                                                                                                                                                                                   |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Background: | Name/Gene ID: GIMAP4<br><br>Synonyms: GIMAP4, GTPase IMAP family member 4, GTPase, IMAP family member 4, HIMAP4, IAN-1, IAN1, Immunity associated protein 4, Immunity-associated protein 4, MSTP062, HIAN1, IMAP4 |
| Gene ID:    | 55303                                                                                                                                                                                                             |

## Application Details

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| Application Notes: | Approved: Peptide-ELISA (1:10000), WB (1:500 - 1:1000) |
| Comment:           | Target Species of Antibody: Human                      |
| Restrictions:      | For Research Use only                                  |

## Handling

|                    |                                                                                                                        |
|--------------------|------------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                                 |
| Concentration:     | Lot specific                                                                                                           |
| Buffer:            | PBS, pH 7.4, 150 mM sodium chloride, 0.02 % sodium azide, 50 % glycerol.                                               |
| Preservative:      | Sodium azide                                                                                                           |
| Precaution of Use: | This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C                                                                                                                 |
| Storage Comment:   | Store at -20°C.                                                                                                        |
