## Overview

|                      |                                                                                                                                            |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Quantity:            | 100 µL                                                                                                                                     |
| Target:              | SERPINB5                                                                                                                                   |
| Binding Specificity: | Thr118                                                                                                                                     |
| Reactivity:          | Human, Mouse, Rat                                                                                                                          |
| Host:                | Rabbit                                                                                                                                     |
| Clonality:           | Polyclonal                                                                                                                                 |
| Conjugate:           | This SERPINB5 antibody is un-conjugated                                                                                                    |
| Application:         | Western Blotting (WB), Immunohistochemistry (IHC), Immunofluorescence (IF),<br>Immunohistochemistry (Paraffin-embedded Sections) (IHC (p)) |

## Product Details

|               |                                                                                             |
|---------------|---------------------------------------------------------------------------------------------|
| Immunogen:    | Synthetic peptide around Thr118 of human Maspin<br><br>Type of Immunogen: Synthetic peptide |
| Specificity:  | Human Maspin                                                                                |
| Purification: | Immunoaffinity purified                                                                     |

## Target Details

|                   |                                                         |
|-------------------|---------------------------------------------------------|
| Target:           | SERPINB5                                                |
| Alternative Name: | SERPINB5 / Maspin ( <a href="#">SERPINB5 Products</a> ) |
| Background:       | Name/Gene ID: SERPINB5                                  |

## Target Details

Synonyms: SERPINB5, Maspin, Peptidase inhibitor 5, PI5, Protease inhibitor 5 (maspin), Serpin B5, PI-5

Gene ID: 5268

UniProt: [P36952](#)

Pathways: [p53 Signaling](#)

## Application Details

Application Notes: Optimal working dilution should be determined by the investigator.

Comment: Target Species of Antibody: Human

Restrictions: For Research Use only

## Handling

Format: Liquid

Concentration: Lot specific

Buffer: PBS, pH 7.2, 0.05 % sodium azide

Preservative: Sodium azide

Precaution of Use: This product contains Sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

Handling Advice: Avoid repeated freezing and thawing.

Storage: 4 °C, -20 °C

Storage Comment: Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze-thaw cycles.
