## Overview

|                      |                                            |
|----------------------|--------------------------------------------|
| Quantity:            | 100 µL                                     |
| Target:              | NGFB                                       |
| Binding Specificity: | AA 124-241                                 |
| Reactivity:          | Rat                                        |
| Host:                | Rabbit                                     |
| Clonality:           | Polyclonal                                 |
| Conjugate:           | This NGFB antibody is conjugated to Biotin |
| Application:         | ELISA                                      |

## Product Details

|               |                                                               |
|---------------|---------------------------------------------------------------|
| Immunogen:    | Recombinant rat Beta-nerve growth factor protein (124-241AA). |
| Isotype:      | IgG                                                           |
| Purification: | Protein G                                                     |

## Target Details

|                   |                                                                                                               |
|-------------------|---------------------------------------------------------------------------------------------------------------|
| Target:           | NGFB                                                                                                          |
| Alternative Name: | beta-Nerve Growth Factor ( <a href="#">NGFB Products</a> )                                                    |
| Gene ID:          | 310738                                                                                                        |
| UniProt:          | <a href="#">P25427</a>                                                                                        |
| Pathways:         | <a href="#">NF-kappaB Signaling</a> , <a href="#">RTK Signaling</a> , <a href="#">Regulation of Cell Size</a> |

Application Details

Restrictions: For Research Use only

Handling

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Buffer:            | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.                                                         |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C,-80 °C                                                                                                     |
| Storage Comment:   | Aliquot and store at -20 °C or -80 °C. Avoid exposure to light. Avoid repeated freeze/thaw cycles.                |
