

Datasheet for ABIN2912764  
**anti-ST3GAL3 antibody (AA 29-375)**

[Go to Product page](#)

## Overview

|                      |                                        |
|----------------------|----------------------------------------|
| Quantity:            | 100 µL                                 |
| Target:              | ST3GAL3                                |
| Binding Specificity: | AA 29-375                              |
| Reactivity:          | Human, Mouse                           |
| Host:                | Rabbit                                 |
| Clonality:           | Polyclonal                             |
| Conjugate:           | This ST3GAL3 antibody is un-conjugated |
| Application:         | Western Blotting (WB), ELISA           |

## Product Details

|               |                                                                                                                |
|---------------|----------------------------------------------------------------------------------------------------------------|
| Immunogen:    | Recombinant human CMP-N-acetylneuraminate-beta-1,4-galactoside alpha-2,3-sialyltransferase protein (29-375AA). |
| Isotype:      | IgG                                                                                                            |
| Purification: | Protein G                                                                                                      |

## Target Details

|                   |                                              |
|-------------------|----------------------------------------------|
| Target:           | ST3GAL3                                      |
| Alternative Name: | ST3GAL3 ( <a href="#">ST3GAL3 Products</a> ) |
| Gene ID:          | 6487                                         |
| UniProt:          | <a href="#">Q11203</a>                       |

## Target Details

Pathways: [Glycosaminoglycan Metabolic Process](#)

## Application Details

Restrictions: For Research Use only

## Handling

|                    |                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------|
| Format:            | Liquid                                                                                                            |
| Buffer:            | 0.01 M PBS, pH 7.4, 0.03 % Proclin-300 and 50 % Glycerol.                                                         |
| Preservative:      | ProClin                                                                                                           |
| Precaution of Use: | This product contains ProClin: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only. |
| Storage:           | -20 °C,-80 °C                                                                                                     |
| Storage Comment:   | Aliquot and store at -20 °C or -80 °C. Avoid repeated freeze/thaw cycles.                                         |
